"Why only \$50,0002" asked James J. Jeffries scornfully tonight, when told of Hugh McIntosh's proposal made on his arrival here today to give a \$50,000 purse for a Jeffries-Johnson battle.

Jeffries also took exception to the Australian promoter's suggestion that the fight take place in England.

"This offer of a \$50,000 purse doesn't look very attractive." he said. "How about the \$200,000 offers? Why, a syndicate in Seattle, backed by responsible men, had made a bona fide offer of a purse of \$150,000 for a contest at the Seattle exposition.

"But it is not a matter of money with me. All the money in the world would not drag me into the ring if I thought I was going to be licked. If I got into shape and thought I could beat Johnson. I would fight him for nothing.

"I will never enter the ring again unless I feel sure I have got back to my old fighting form. I shall not fight any one unless I think I can do myself justice."

OUTLOOK FOR BASEBALL EXCEEDINGLY BRIGHT

Manager E. G. Farnsworth of the Salt Lake Intermountain basebell team will leave today for Helena to attend a baseball meeting of the magnates of the Intermountain league, held next Tuesday. The object of the meeting is to decide whether there will be four or six teams in the tri-state league, and to elect a president. According to present indications, the league will be composed of four teams. Butte, Helena, Boise and Salt Lake. As each one of these cities will support good baseball upon a paying basis, there is little doubt in the minds of the promoters that the league will be a big success.

The local fans are enthusiastic over the prospects of league ball and if Farnsworth gives this city a good feam he will have to build extra grandstands to accommodate the people.
